

PULLMAN-HOLT

Pullman-Holt's 390CV is a powerful 4-gallon, dry only vacuum with exceptional stability. Designed for professional cleaning, this canister style vacuum has a superior, low profile design that makes it extremely maneuverable and easy to use.

Features:

- A quiet, yet powerful 1.5 HP motor provides the suction of vacuums twice its size.
- Convenient onboard tools and power cord storage.
- Low profile design prevents tipping while providing greater mobility.
- Durable stainless steel tank is attractive yet rugged.
- Easily accessible foot activated on/off switch.
- Convenient electrical outlet on base for connecting power head.
